Project Funding Sources

Please outline the sources of funds for your project, including your READI request. The other sources are for match purposes. READI 2.0 requires a 4:1 match to READI dollars.

Match can come from local public funding, private, or philanthropic sources. Examples include, but are not limited to, tax increment financing (TIF) funds, general tax funds, business/developer investments, private foundations, or community foundations. For questions regarding match, please contact Maren Harris, READI Project Manager, at maren@regionalopportunityinc.org.

The total sources of funds should **equal** the total cost estimate you provided in the previous question.
